Telegram No. 1591-A, dated the 6th December, 1930, from the Political Secretary to the Government of India in the Foreign and Political Department.

In paragraph 2 of their letter No.F.133-A/30, dated the 2nd May, 1930, the Government of India have informed the Resident that they have definitely undertaken to abstain from new financial commitments except in cases of unquestionable emergency pending the result of the retrenchment enquiry and requested that the Resident will assist the Government of India by acting on similar principles in sanctioning expenditure under his own financial powers.

Under the arrangement made with the Mysore Government for the determination and disposal of the surplus revenues of the Assigned Tract, any surplus revenue in excess of Rs.13 lakhs shall be divided between the Tract and the Mysore Government in the proportion of ¼th to the former and ¾ths to the latter. Therefore any additional establishment sanctioned in the Assigned Tract will not in any way affect the Central Revenues - Vide notes in paragraphs 7 and 11 in File 214/1929. In the proceedings of the Hon'ble the Resident No.7701, dated the 8th October, 1930, the following additional establishment was sanctioned for the Resident's office.

One clerk 100-5-150
One clerk 35-3-80-4-100
Two peons 2(15).

The reason for increasing the establishment is given in paragraph 1 of the proceedings referred to above. In this connection please see the Resident's letter No.8344/68-1917 dated the 1st October, 1929 to the Government of India in the Foreign and Political Department.

Draft reply to the Government of India is submitted

S.N. 26.

Letter No. G.T. 55/30, dated the 4th December, 1930, from the President, Municipal Commission, Civil and ---- Military Station, Bangalore.

Please see S.N. 17 to 22 and the notes in paras 1 to 17. In accordance with the orders contained in para 11 of the notes we have to examine only the Central ----- Government expenditure i.e. the Residency budget and the grants paid by the Central Government under the 5 year programme. The Residency budget is comprised of the following heads:-

(1) 28-Ecclesiastical.

(2) 29-Political

(3) 46-Stationery and Printing.

Item (1)-28-Ecclesiastical.

The following cemetery establishment in the Mysore State and in the Civil and Military Station, Bangalore, is maintained from Central Revenues:-

		Mali Chowkidar.
Mysore Cemetery	Rs.	15 per mensem.
French Rocks Cemetery ...	"	12 "
Hunsur "	"	12 "
Kolar "	"	10 "
Sultanpet "	"	10 "
Tumkur "	"	12 "
Hassan "	"	15 "
Shimoga "	"	12 "
Chikmagalur "	"	12 "
Koppa "	"	12 "
Chitaldrug "	"	12 "
Harihar "	"	12 "
Hosur Road " and Extension 4(15), 1(12)	"	72 "
Hosur Road Roman Catholic Cemetery (15) (12)	"	27 "
St. John's Church Cemetery (15) (12)		27 "

For each cemetery in the Mysore State there is one Mali Chowkidar. In the Hosur Road Cemetery and extension there are 4 Mali Chowkidars on Rs. 15/- per mensem and one on Rs. 12/- per mensem. There are two Mali Chowkidars in each of the Hosur Road Roman Catholic Cemetery and St. Johns Church Cemetery. The above establishment ------ appears to be the minimum required for the cemeteries in question and cannot be reduced further.

29-Political

The Government of India may perhaps be informed that the Mysore Residency budget being a small budget, it is not possible to make any reduction. In this connection please see express letter No. 9500, dated 11th Decr. to Polindia.

S.N. 25/214-29.

Five year programme of Educational expansion in the Civil and Military Station, Bangalore.

Please see S.N. 1 & 4/ 83A-1926 and S.N. 25/210-1929.

The Municipal Commission accepts the recommendation of the Inspector of Schools, Coorg and Bangalore, to abolish the five night schools opened under the five-year programme. If the proposal is accepted, permanent savings to Government will be Rs. 750/- per annum. The Municipal Commission considers that the rest of the commitments are ----- necessary and should be continued on a permanent basis. The Commission feel that they cannot find further money for educational purposes and request the Government to continue, if not enlarge its grant in the future to permit of the further expansion of primary education in the --- Station. In this connection please see para 3 of the Inspector's Confidential letter No. 2620/3-26, dated the 6th August, 1930, in which he recommends the following:-

S.N. 22/214-29.

	Per annum. Rs.
2. Higher Elementary Schools should be maintained by the Municipal Commission at a cost of R	Rs.3,000/
6 Boys' school should be financed by the Municipal Commission at a cost	14,000/
	17,000/

The Inspector states that at present the Commission spends Rs. 59,700/- per annum which is about 10% of the Municipal revenues on education. He thinks that the Commission will not find it difficult to increase its expenditure by about Rs. 17,000/-, as the Municipality is expected to spend 15% of its income on education. It is for orders whether the Commission's or the Inspector's proposal may be recommended to the Government of India.

I should like to know the authority for I/S's statement GL 2.1.31

If the Inspector's proposal is accepted, there will be a saving of Rs. 17,750/- per annum to Central Government. If the Commission's proposal is accepted there will

be

Please see paras 1 to 4 of Special Rules and orders relating to the accounts of the Hon'ble the Resident's Treasury. The Treasury here is an Imperial Treasury and the Treasury Establishment is therefore shown in the ---- Mysore Residency budget (i.e. Central Government budget). One-third of the cost of the establishment and contingencies is debited to Assigned Tract in the annual pro-forma account. Further a sum of Rs. 300/- per mensem or ------ Rs. 3,600/- per annum is charged to Assigned Tract ------ revenues on account of the share of the pay of Pay and Accounts Officer for treasury work done by him for the Assigned Tract. In addition a sum of Rs. 3,600/- is also debited to the Assigned Tract revenues in the annual pro-forma account on account of the audit work done by the Audit Officer, Bangalore. The pay of the Pay and Accounts Officer and his establishment other than those mentioned in the statement is being met from the Central Revenues(Finance Department of the Government of India.)

Draft may issue ? I would draw attention to the remark side-lined 'A' in the covering letter. I have put this in especially so that we can hang onto it later on if we wish to do so, a plea for an extension of the office re-organization which is taking place.
